

MASS ALTERNATIVE CARE

To Our Patients & Customers:

Over the past couple weeks, the Mass Alternative Care team has been carefully at work to provide our community with safe access to high quality cannabis products. As the COVID-19 virus remains a threat to public health, Governor Charlie Baker issued a stay at home advisory in which non-essential businesses are to suspend operations to prevent the coronavirus outbreak from growing.

**Starting March 24 at 12 pm noon
MAC will no longer dispense
Adult-Use Marijuana.**

**MAC will remain open for MA
Medical Use of Marijuana Program
Patients & Caregivers.**

MAC Chicopee will be open normal hours for medical patients until 8pm Monday, March 23.

MAC Chicopee is conveniently located off of I-291 on East Main Street and is open Sunday 10 am to 5 pm,
Monday through Saturday 9 am to 8 pm.

We sincerely appreciate your cooperation with protecting the health of our MAC family. We value the health of our customers, employees, and the community as a whole. If you have questions or concerns, please feel free to reach out to info@massaltcare.com. We hope to see you soon!
